

## Directions from Cirencester

Leave Cirencester on the A419, heading towards Stroud.

Approximately 10 minutes after leaving Cirencester, take the first exit off the roundabout which is signposted Aston Down and Minchinhampton.

Stay on this road – Minchinhampton Town is off to your left.

Continue along this road where Minchinhampton Common opens up on your left.

It is a huge piece of common grazing land, so you cannot miss it.

Once you have the Common on your left, proceed and take the second turning on your right, signposted Burleigh Court (on a small crossroads with Dr Browns Road to your left).

Once you have turned right it is a matter of just keeping the faith – this is a narrow country lane which drops you down the side of the hill, and over a cattle grid and just as you are about to give up and turn back, you will see Burleigh Court Hotel sign to follow the road to the right. Then our sign will appear at our grand entrance and turn into the left.

Note – Cirencester can be reached by taking Junction 15 off the M4 or along the M40 via Burford & Bibury.
